### Estimate of credit rating

#### Assessment criterion

Personal status:

Payment history:

#### Advice

active

there are negative findings

### Notes on assessment:

There is at least one very serious payment disturbance, which is not more than 24 months old and which could have lasting consequences.

There are at least three very serious payment disturbances which are between 12 and 24 months old.

### Recommended actions

Information is available which has a serious negative impact on the credit rating. We recommend that you obtain at least one up-to-date payment collection information. If you are dealing with one or more business transactions with a high order value, we recommend that you proceed with great caution and obtain detailed information, for example the payment details report or with an up-to-date payment collection information as well. It may be advisable to carry out the transaction only against advance payment or partial advance payment.
